Rich, or poor or proud and handsome. Even you can read this Chanson. By no law of luck or chances. Every tooth you save enhances. All your smiles and conversation. Renders joy to all relations. Don't despair when teeth are aching. Save them, all their shapes, remaking. Life's prolonged and health extended. Every time a tooth is mended. You will find your joy remedied. Dentist I "my crown" reveals it. Every art by art conceals it. Nature gave all in good reason. Teeth to eat with, minds to reason. Is it her fault, yours or mine. Shall their loss be mine or thine. You shall know in all good time.

MOLATING WESTERLY LIQUOR LAWS

Results in Jail Sentence and Fine—Doyle-Murphy Marriage—Laborer Falls Twenty Feet—Pawcatuck's Fire Chief Saves Money for Department—Norwich Man Wins Stonington Bride.

Judge Oliver H. Williams held special session of the third district court Tuesday for the trial of the case against Antonio Salameo, charged with keeping liquor with intent to sell at his residence in Pleasant street. Judge John W. Sweeney, counsel for accused, was in the superior court in Providence, so Attorney Clarence E. Roscoe, of Judge Sweeney's office, recently admitted to the bar, made his first appearance in court in this case. He was assisted by Attorney A. T. L. Ledwidge.

Chief of Police Cornelius Brannan, Policemen Brown and West and Constable Reardon testified in making a raid on the premises under a search warrant and effecting the seizure of liquor, and also of seeing men in the place drinking and of seeing men coming from the place intoxicated.

Hugh Eccleston and Alvin Rodman testified to purchasing and drinking ale in the Salameo house, and of purchasing half a pint of whiskey there. Charles P. Eccleston testified that he received the bottle of whiskey from Rodman, labeled it, and gave it into the custody of Chief Brannan.

The accused was adjudged guilty and was sentenced to ten days in the Washington county jail and to pay a fine of \$50 and costs. Appeal was taken and bonds of \$100 furnished for appearance in superior court.

The liquor seized against Salameo, Col. Charles F. Tillineast and staff, which included Lieut. Col. Charles H. Ledward and Capt. Arthur N. Nash, ordnance officer, of Westerly, Second Lieut. Charles A. Thayer, acting quartermaster and commissary, formerly of Putnam. The review was in the armory in Providence.

Joseph Santoro, a laborer at the New England granite works, had a lorry tipped Tuesday morning and escaped with comparatively slight injuries. He is employed in connection with a huge traveling crane, which was run down the tracks to the tank to get a supply of water for the boiler. The tank is about twenty feet above the ground and the crane was run down the tracks to the tank to turn on the water and while there tumbled.

At a nuptial high mass in St. Michael's church, Pawcatuck, Tuesday, celebrated by Rev. James W. O'Connell, ham, Edward Joseph Doyle of Woonsocket, and Miss Della A. daughter of Mr. and Mrs. Michael Murphy, were married, this ceremony being performed by Rev. Father Krause.

There was a large congregation to witness the marriage. At the conclusion of the church ceremony there was a reception at the home of the bride's parents in Liberty street.

The bar was attended by her sister, Miss Margaret Murphy. Edward Reed of Woonsocket was best man, while a number of friends were present from Woonsocket, Providence, Westerly and New London. Mr. and Mrs. Doyle left on the 4:55 train for New York and Washington. They will reside in Woonsocket.

There is no salary attached to the office of chief engineer of the Pawcatuck fire department, but since the fire alarm system has been installed, and up to two years ago when Chief Stahl took upon himself the care of the system, the system has cost the first district at least \$150 a year.

The first year that Chief Stahl cared for the system the board of engineers allowed him \$50. Last year his services were considered very reasonable for \$75. The matter of appointing that sum to the chief for the care of the system was introduced at the annual meeting of the Pawcatuck fire district Monday evening, and was favorably received. It was decided that the appropriation was within the province of the board of engineers and the meeting was in favor of the payment of \$75 to Chief Stahl.

The treasurer stated that since Chief Stahl had taken over the care of the fire alarm system there had been a saving of at least \$100 a year to the fire district.

John C. Kennedy of Norwich and Miss Nellie Elizabeth Curtin of Stonington were married Tuesday at a nuptial mass in St. Mary's church, Stonington, by Rev. John A. Lynch. The bride is a daughter of Mr. and Mrs. James Curtin. Her sister, Margaret, was bridesmaid. The best man was Timothy C. Morgan of Boston, and John E. Curtin of Stonington and Thomas A. Fenton of Norwich were ushers. Breakfast was served at the home of the bride's parents. A number of friends were present from

Norwich and other places. Mr. and Mrs. Kennedy will reside in Norwich.

The Westerly high school baseball team won the game with the Morgan school at Clinton Tuesday and Wednesday. By a half-hitch on the eastern division championship of the interscholastic league, and if Bulkeley lost even one of the three games they have to play, the Westerly boys will have the championship cinched. The local boys have eastern championship in the series with seven to their credit, with only one game lost; while Bulkeley, the nearest competitor, has lost four out of five. The three games to be played; two with Windham and one with Norwich. It is considered about impossible for Bulkeley to win three straight games, with all as their only effective pitcher. The Westerly high school team and their coaches feel justified in planning for the trip to New Haven to play for the state championship with the leaders of the western division. To the Westerly, the Bulkeley must win the three games, should they happen to have a streak of luck and win, the game will decide the eastern championship would be the most interesting of any ever played in the interscholastic league.

The game with Morgan school at Clinton, Tuesday, was a pitchers' game from start to finish, although there was a little support that prevented run getting. Burrows for Westerly had a strikeout, but Moore of Morgan saw him and went him two better, striking out 15. Westerly led at the Suburban avenue. He is weak after his illness and the surgical operation, but there is an excellent prospect that his recovery to his full strength will be rapid.
